Residents To Get Numbers  
As Published In This  
Weeks Journal.  
Check Errors.

Cooperating with the Service Club in its program of getting Kirkland's houses numbered the Journal is publishing a list of Kirkland residents and the street numbers assigned to them. This list was compiled by I. W. Gates, member of the council committee in charge of this work. It being the first compilation of its kind there are probably some errors in spelling. Where these are discovered please call the Journal office and the correction will be made prior to the publication of the official directory.
